LEGAL NOTICE

STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1st Floor, LaSalle Building, 617 North 3rd Street, Baton Rouge, Louisiana, at 9:00 a.m. on **TUESDAY, MAY 23, 2006**, upon the application of **WINCHESTER PRODUCTION CO.**

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **Cotton Valley Zone, Reservoir C**, in the Greenwood-Waskom Field, Caddo Parish, Louisiana.

1. To establish one (1) unit to be designated CV RC SUA, for the production of gas and condensate from the Cotton Valley Zone, Reservoir C, less and except that stratigraphic equivalent interval defined as the D Sand of the Cotton Valley Formation in Office of Conservation Order No. 193-B, effective January 5, 1954.
2. To force pool and integrate all individual tracts, mineral leases and other property interests within the proposed unit in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract to share in the unit production on a surface acreage basis of participation.
3. To designate Winchester Production Company as the operator of the proposed CV RC SUA and their Mangham 17 No. 1 Well as the unit well.
4. To provide that future wells drilled to the Cotton Valley Zone, Reservoir C, shall be located at least 660' from unit lines and 2,000 feet between wells.
5. To provide for the reclassification of the reservoir without the necessity of a public hearing if the producing characteristics of the reservoir should change if sufficient data is presented to and accepted by the Commissioner of Conservation.
6. To consider such other matters as may be pertinent.

The Cotton Valley Zone, Reservoir C, is to be defined as that gas and condensate interval encountered between the depths of 8,120 feet and 9,820 feet (electric log measurements) in the Winchester Production Company - Mangham 17 No. 1 Well, located in Section 17, Township 18 North, Range 15 West, Caddo Parish, Louisiana, less and except that stratigraphic equivalent interval defined as the D Sand of the Cotton Valley Formation in Office of Conservation Order No. 193-B, effective January 5, 1954.

A plat is available for inspection in the Office of Conservation in **Baton Rouge and Shreveport**, Louisiana.
